DEDICATION

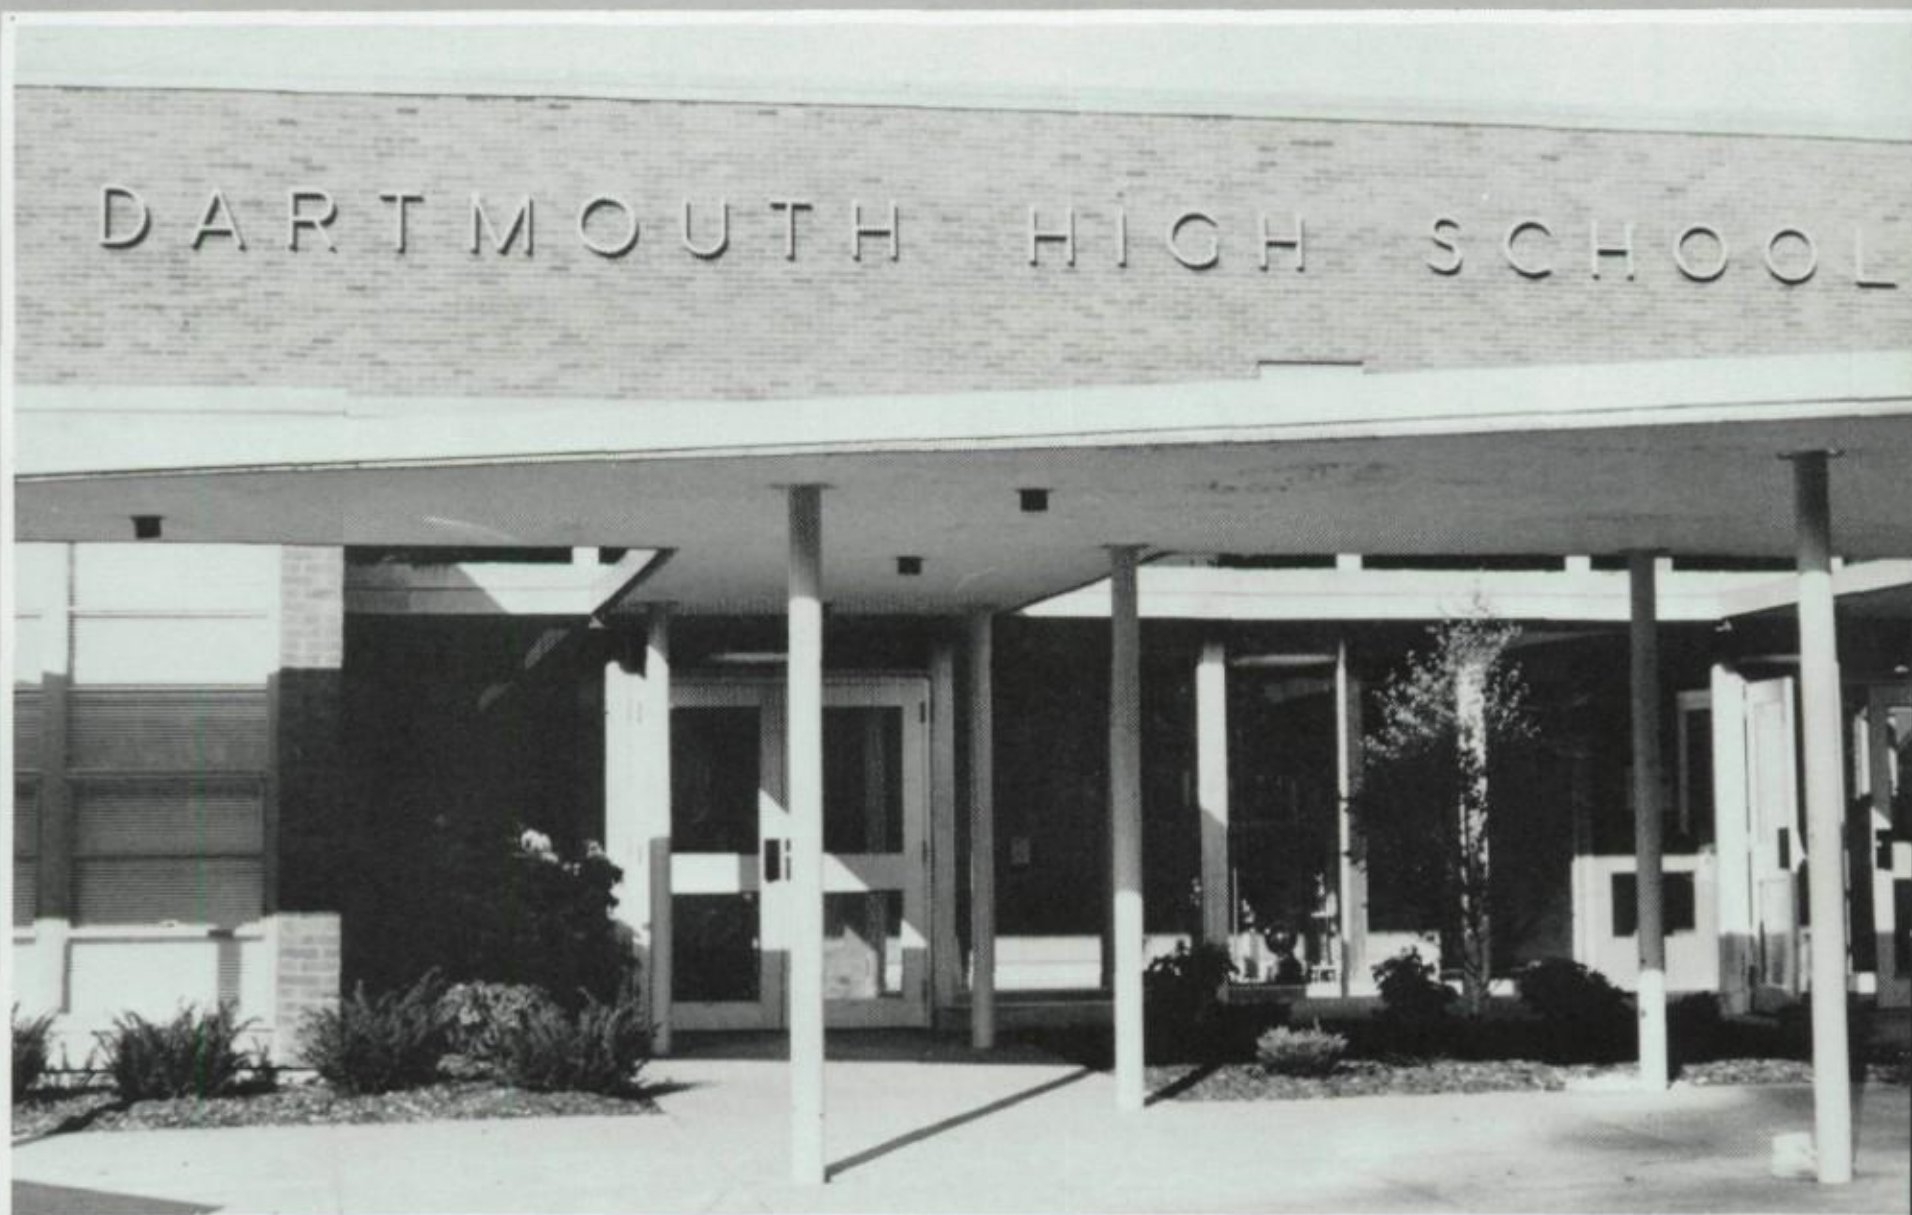

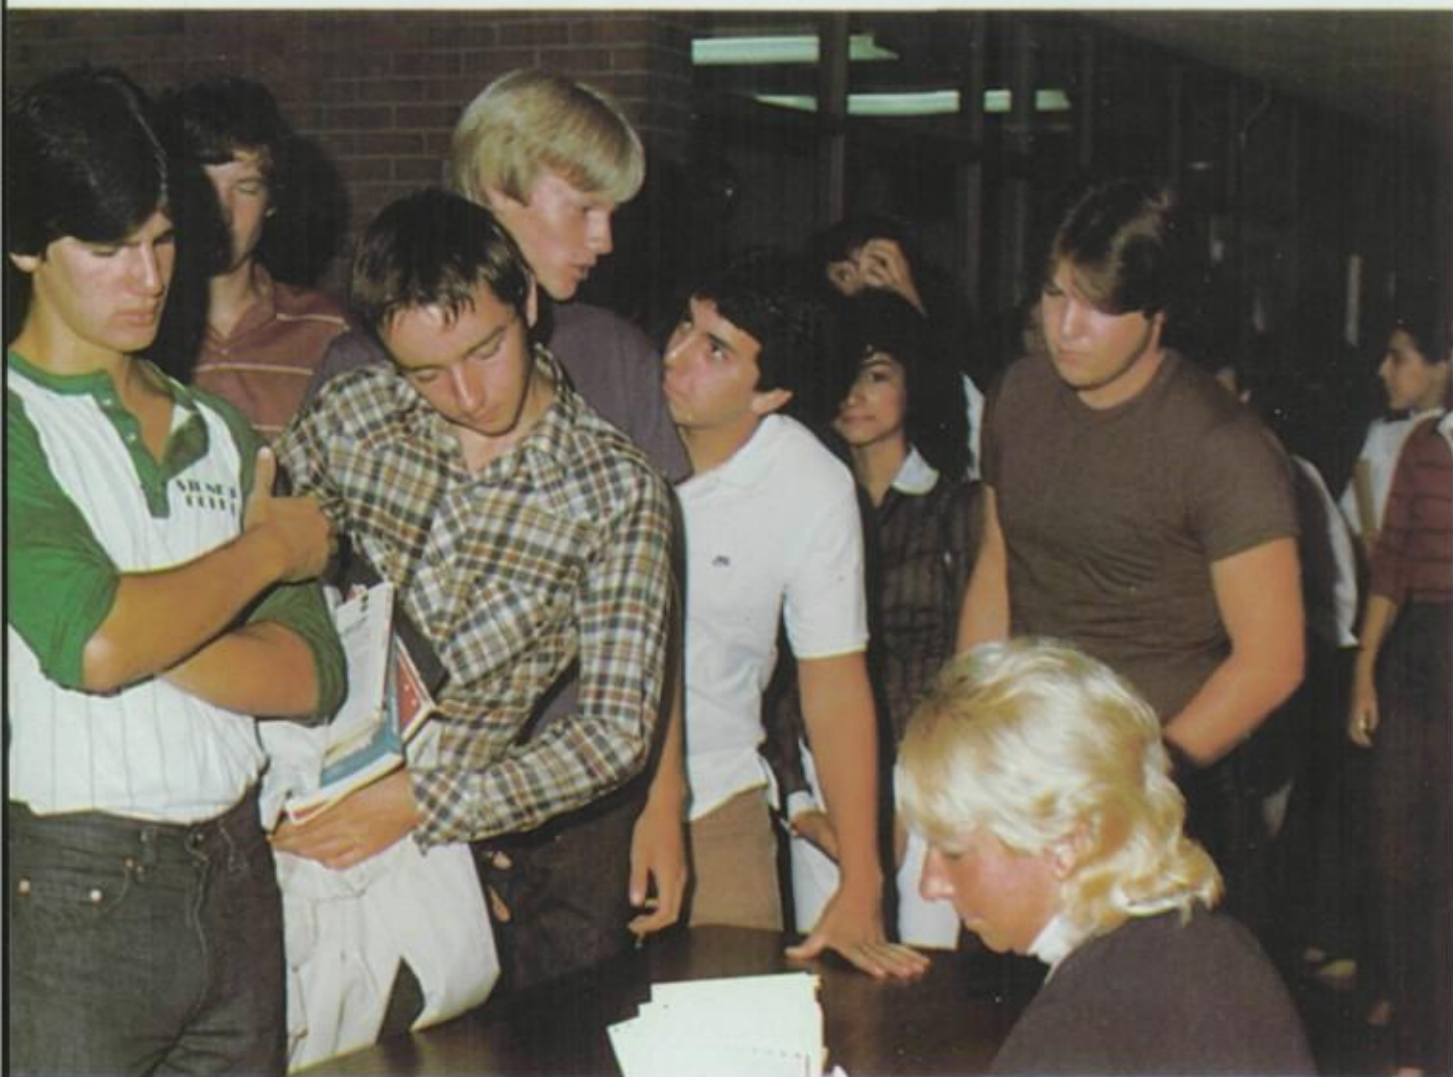

Dr. E. Deane Freitas was first elected to the Dartmouth School Committee in April of 1949. Little did he realize then that thirty-five years later he would still be actively involved, serving both the town and its young people.

From 1952 until 1956 Doc served on the School Building Committee, which at that time was primarily concerned with building the "new" Dartmouth High School. Today, in 1984, the school that Doc Freitas helped build has just completed its second major addition, and Doc is still serving on the School Committee. Through the intervening years he has given his time, his energy, and always his best to the town and the young people he loves.

Doc Freitas is not interested in being made a hero; in fact he shuns recognition. Because of this, we will probably never fully realize all he has done to make our school what it is today. We do know, though, that his contribution has been a significant and a long-lasting one. In recognition and appreciation, the Class of 1984 gratefully dedicates its yearbook to Dr. E. Deane Freitas.

CLASS ADVISORS

MRS. TERRY PACHECO

MRS. ROSEMARY RAYMOND

As our senior class advisors, Mrs. Pacheco and Mrs. Raymond have led our class through the last four years. With their guidance and support our class has been able to sponsor numerous activities, all of these culminating in our graduation exercises. These events will forever remain fond memories for all of us. For their dedication and efforts we would like to extend to them our best wishes and express our sincere thanks.

CLASS OFFICERS

President: Kevin O'Neil

Vice-President: Erika Sheehan

Treasurer: Ray Oswald

Secretary: Kirsten Sherman

Dear Seniors,
Four years ago, when I entered Dartmouth High School, I thought it would seem forever until I would graduate. Now, as that time has come, it seems like only yesterday that I was a freshman. Likewise, I'm sure many of you have the same feeling.

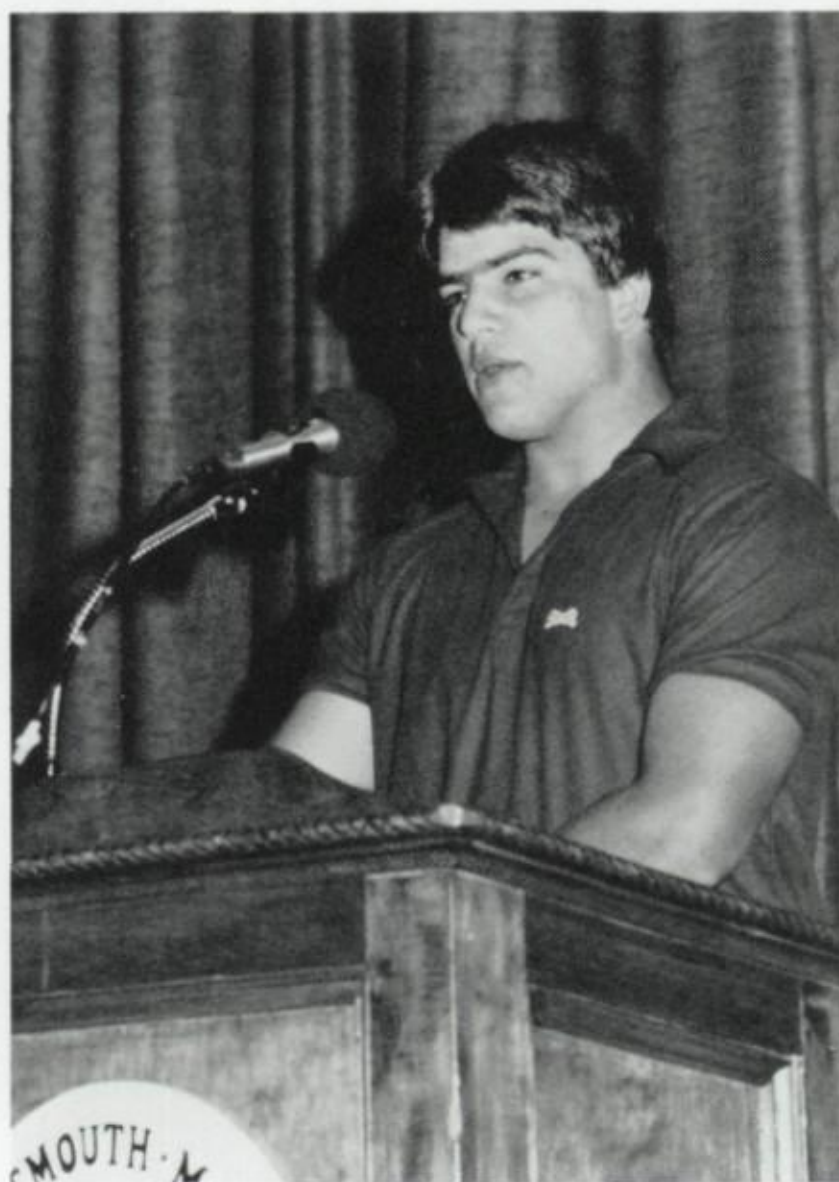

As the 1984 school year comes to a close, our class as a whole will probably never be together as one again. While I have plans to attend college, along with many of you, others have plans to work or enter the service. Whatever way we choose, we will be ending one career and beginning another.

I know that throughout the rest of my life, I will always look to my yearbook to bring back the many pleasant memories my high school days held, as I'm sure many of you will also. It will be an item that we will cherish more than anything else and we'll look to it to lift us up when life's problems and troubles have burdened us.

Thus, I thank you for helping to make my high school days most rewarding. It has been an honor and a pleasure to be a member of your class. Best wishes to all of you on whatever you choose after graduation.

Good Luck Class of '84!

Kevin O'Neil
Senior Class President
